

Original Dixieland "Jass" Band

"A brass band gone crazy!"

That's the way a wag describes the original Dixieland "Jass" Band. Beyond that description we can't tell you what a "Jass" Band is because we don't know ourselves.

As for what it *does*—it makes dancers want to dance more—and more—and yet more! Just have another look at the picture above—you can almost *hear* the hilarious music of the "Jass" Band in your ears.

You'll want to hear the first Victor Record by this organized disorganization—it's a "winner." "Livery Stable Blues," a fox trot, and "Dixieland Jass Band One-Step" are played with charming ferocity and penetration.

Victor double-faced Record, 10255. Ten-inch, 75c.
